SLAM

A black and white illustration depicting a group of soldiers in a trench. The soldiers are wearing helmets and carrying equipment. One soldier in the foreground is looking towards the right. The background shows a trench with a curved wall and some foliage. The word "SLAM" is written in large, stylized, outlined letters across the center of the image. The letters are white with black outlines. The 'S' is at the top left, 'L' is below it, 'A' is to the right of 'L', 'A' is to the right of the first 'A', and 'M' is at the bottom right. The letters are slightly tilted and have a hand-drawn, comic-book style appearance.

There's Deal! That's not instant yet.

Fumiko! We have a deal! I dreamt of having a Molossian, Hasky or Wolf-Dog! But my wife chose a Golden Retriever without asking my preference. Agh! Now that we have her, I must admit that she is very cute. And it appears that retrievers are very intelligent!

Masaya Honazono

So Honazono Masaya! You took better of the situation and chose for our Tō. Our dog got along well.
